

Rush National School acknowledges receipt of €37,260 of Digital Funding from the EU National Recovery and Resilience Plan (NRRP). The Recovery and Resilience Facility is the largest component of NextGenerationEU which is the European Union's response to the global pandemic. The aim is to help improve digitisation so that a school is more resilient and fit to face the future. This grant has been spent as follows:

- 40 Visualizers.
- Class set of 20 Chromebooks plus Joey Charging Trolley to support the use of Google Classroom throughout the school.
- Ipad digital licenses for use by children with additional needs to promote the enhancement of literacy, numeracy, typing skills.
- 2 Newline touchscreens.
- A systematic 'Device Lending Scheme' in operation during remote learning periods.
